### Full Bio:

Dave Schreiner has been a partner with Millisor & Nobil Co., L.P.A. since 1980, and currently serves as the firm's managing partner. Prior to that, he was a partner with a general business firm in Cleveland, where he concentrated in labor law. Mr. Schreiner is a graduate of University School in Cleveland, Brown University, and Case Western Reserve University School of law.

Although Dave has counseled employers in virtually all areas of labor and employment law, his primary focus is in the traditional labor relations area. He has extensive experience in successfully counteracting union organizing drives, developing programs designed to maintain union-free status, and obtaining favorable contract results at the bargaining table. He has been recognized as one of the top labor attorneys in the "Ohio Super Lawyers" publication and is included in "the Best Lawyers in America."
